REMODELED EPIPHANY CHURCH

HIGHLIGHTS OF 1959

During 1959 the center of Walpole took on a new look. Several major construction projects were completed, or were nearly so at the year's end, providing a much improved appearance on Main Street.

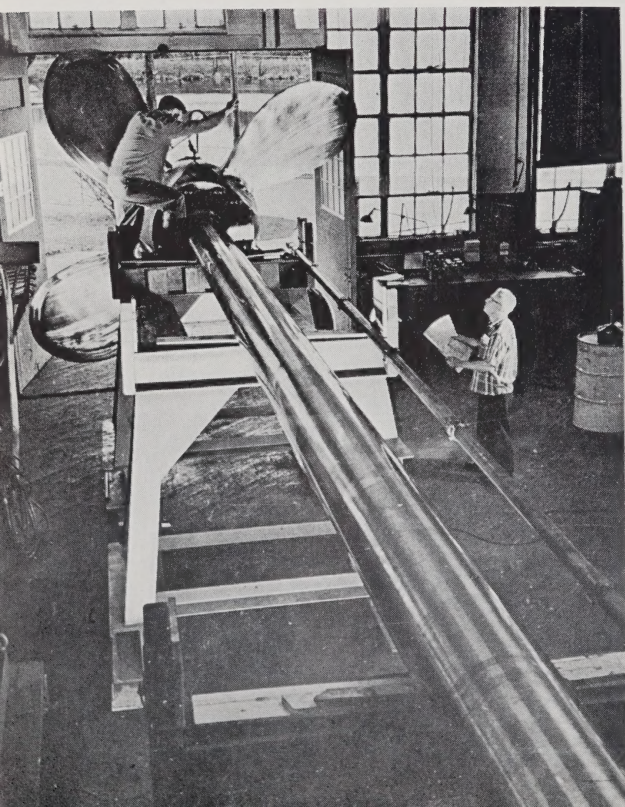

At the south end, near the Common, the renovation and remodeling of the Epiphany Church was completed, the new building being dedicated on October first with appropriate ceremonies. The remodeled church and its attractive grounds add much to the beauty of the town.

In another location near the Common, John D. Murphy erected a new real estate office, Cape Cod style. It is an attractive building which again adds to the appearance of this part of the town. On Stone Street, opposite the Town Hall, H. D. Baker, now a division of Lydon & Hasse Co., has replaced the old building with a modern, one-story shop.

Antonio J. Lorusso has modernized and rebuilt areas on both sides of Main Street. On the site of the old Kannally Building now stands a fine, modern block occupied by Betro's Pharmacy and Camelio's Central Package Store. Behind the building much-needed additional parking space has been added. Across the street Mr. Lorusso has also modernized the building occupied by Western Auto and the Fashion Beauty Salon. Both of these establishments now have attractive front entrances and modern,

NEW BUILDING HOUSING BETRO'S PHARMACY AND CAMELIO'S CENTRAL PACKAGE STORE

HUGE KAMEWA CONTROLLABLE PITCH PROPELLER built by Bird-Johnson Co., So. Walpole. These propellers are used in many ocean and lake vessels.

well-appointed interiors. Nearby, Walter LaCivita has removed the old Hartshorn building which stood on the corner of East and Main Streets.

Nearing completion at the end of the year and ready for occupancy in January, 1960, are the new Atlantic and Pacific Tea Company store, and a fine colonial-style building with three stores and eleven offices. Lorus Realty, Inc. were the builders. The new stores are occupied by Dom's Coffee Shoppe, Paul's Apothecary Shoppe and the Dedham Trust Company. These buildings, also surrounded by an additional parking area, are located just beyond the northwest corner of Main and East Streets. Nearby, on the east side of Main Street, is a new Atlantic Service Station, opened in 1959.

Walpole has grown in other ways, too. New home construction continues at a healthy pace in all parts of the town. The population growth is reflected in the all-time high enrollment of our schools. At the beginning of the school year, Superintendent of Schools John Powers reported 1835 enrolled in elementary schools, 688 in Junior High School and 574 in the Senior High School—a total of 3097 students. He also reports that 3486 students are expected in 1961 and that the enrollment by 1965 will be over 4300.

At the Town Meeting in the spring, it was voted to construct a new Junior High School in the area between East and Washington Streets, near High Plain Street, at a cost of \$1,930,000. The contract has recently been let and work has started. The new building will be ready in September, 1961.

New business establishments started in 1959 include the Bowl-Away, modern bowling alleys on Route 1 in East Walpole, and Bird Engineering, Inc., organized to build and sell rotary printing equipment, with offices in the old Bird & Son office building in East Walpole square.

The town mourns the lost of several prominent citizens. Howard S. Hanna retired in March from his duties as Purchasing Agent at Bird & Son, moved to Maine and died in May at his home in New Harbor. Mr. Hanna had served the town notably in the past, as a member of the Appropriation Committee, as a selectman from June 1948 to 1951 and as chairman of Civilian Defense for several years.

Charles R. Howard, selectman since 1957, and chairman of the board in 1958, died suddenly on October 22. Very active in community affairs, he had served his church in many offices, was a former chairman of Red Cross, was a former member and chairman of the Appropriation Committee and at the time of his death was treasurer of the Norwood Hospital.

On December 28 Walpole's oldest male resident, holder of the Post Cane, died at the Denny Nursing Home, Norwood. Patrick J. Broderick was employed during his working years by the Park Department and at Endean, the Charles S. Bird estate. He was 94 years old when he died.

NILS' ATLANTIC SERVICE STATION

INTERIOR OF BOWL-AWAY, EAST WALPOLE

Closely associated with the town, though not a citizen, Henry P. Kendall was greatly respected. His business, Kendall Mills, has contributed substantially to the town's prosperity for many years. We record with sorrow his death on November 3. In his will he made generous public bequests totaling over \$4½ million. The town of Walpole received the impressive sum of \$50,000.

Through the generosity of another prominent citizen, Mrs. Joseph Leach, who died in October, 1958, the town has also received a very fine gift. The Joseph S. Leach Scholarship Fund of \$121,500 has been established. The income from this fund is to be used for scholarships for students of Walpole schools who become students at any non-sectarian university, school or college. Each scholarship is to be, as nearly as practical, sufficient to cover the cost of the annual tuition. Established now at \$121,500, the total fund is expected ultimately to approximate \$200,000 from the Leach estate.

Junior Achievement, now in its fourth year in Walpole, has four units supported by a number of business firms in the town, with 88 high school students enrolled.

The town has been generally prosperous in 1959. The tax collector reports 98.5% collected in real estate taxes, one of the highest records in the state. The town ended 1959 in a strong financial position and anticipates a good year in 1960.

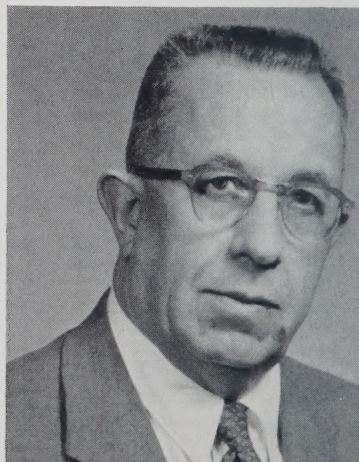

HENRY P. KENDALL

CHARLES R. HOWARD

HOWARD S. HANNA

Board of Selectmen

CHESTER PARASCO, *Chairman*

JANICE WILKINS, *Clerk*

EDWARD J. DELANEY

HAROLD E. HIGGINS

CHARLES R. HOWARD
(died Oct. 22, 1959)

	No. Employees	Budget	Expenditures
1940	5 Selectmen and Part-time clerk	\$2,250.00	\$2,244.24
1950	5 Selectmen and Part-time clerk	3,900.00	3,751.15
1958	5 Selectmen and Part-time clerk	5,593.55	5,365.01
1959	5 Selectmen and Part-time clerk	5,907.73	5,682.23

At the end of the year the amount of "free cash" available to the Town was \$338,846.12. This represents approximately the same amount as was available at the end of 1958 before approximately \$172,000.00 was transferred at the 1959 Annual Town Meeting.

The Town is generally in good shape financially. The tax rate is about average for a town of our size. As a result of the 1959 Annual Town Meeting, the tax rate went up approximately half as much as the state-wide average for all the towns in the Commonwealth.

There is one important aspect to our future growth and well being which needs strengthening. We have not kept pace with the industrial growth which has taken place in surrounding towns.

Although there has been substantial improvement in the general appearance of the center of town through the addition of several new businesses, we are still a long way from having the industrial growth which we need to give us a broader tax base and to give some relief to the individual taxpayer. The Board has good reason to believe that this needed growth is coming very shortly.

Our Industrial Committee informs us that the requests for information about our Town have increased tremendously since the printing of the Industrial Brochure which has been mailed to the leading industries and industrial developers.

In the past year, the program for increased and better lighting has gone on as has the program for sidewalk improvement. Our roads are generally in good condition and their maintenance has been improved by our Town Engineer, Robert B. Boyd.

The Board wishes to thank the elected and appointed Town officials, all of whom have been so helpful in the past year.

The Norfolk County Mosquito Control Project

JOHN C. KUSCHKE, *Superintendent*

Activities during the year were:

Aerial Spraying	1,275 Acres
Ground Spraying	2,625 Acres
Pre-hatch Dusting	1,470 Acres
Drainage	2,210 Feet
Brush Clearing	2,041 Feet
Culverts Cleaned	13 Culverts
Catch Basins Treated	1,643 Catch Basins

HAROLD WILLIS
Public Works Superintendent

Town Engineer

ROBERT B. BOYD, JR., *Town Engineer*

	No. Employees	Budget	Expenditures
1940	52	\$145,733.05	\$136,808.51
1950	52	315,224.57	299,969.65
1958	51	584,266.39	550,475.09
1959	49	609,736.02	578,712.47

The Highway, Park, Water and Building Repair Departments functioned as an integrated Public Works Department. Although the Park Department, for example, usually works in parks and commons, it also assists the Highway Department by plowing snow, grading roadsides, and trimming street trees. Similarly the Highway Department hauls gravel

and bulldozes for the Water Department, and the Water Department helps maintain recreational facilities for the Park Department. The following accomplishments listed under the various departments were, therefore, not necessarily performed by the personnel of those departments.

Highway Department

CONSTRUCTION

1. Elm Street completed to Medfield line, Chapter 90. The portion built this year was a relocation.
2. South Street Bridge over the Neponset River was rebuilt by contract forces. Failure of the dam last winter had caused extensive damage to the old stone arch.
3. A black top sidewalk was built on the east side of Washington Street from High Plain to Baker Street.
4. A black top sidewalk was built around the Town Common at Front and West Streets.

RESURFACING

The following streets were surfaced with asphalt: Alice, Allen, Bellingham, Bonney, Bowker, Calvert, Carpenter, Charlotte, Common, Marguerite to Main, Coney, Route 1 to Sharon line, Dudley, Edgewood, Eleanor, Field, Fisher from No. 282 to No. 320, Front, Fuller, Gould, Haynes, Hutchinson, June, Killeen, Marguerite, Marston, Massachusetts, North, Old North to Westwood line, North Street Circle, Plymouth, Polley, Puritan, School, Stone to Common, Spring, Stone, Main to School, Vane, Washington, South to Willow, and June to Short, West, Front 350 feet westerly and Norfolk to Norfolk line, Winter by 1957 reconstruction, and Winthrop.

The following streets were resurfaced with tar: Baker, 200 feet by last drain; Country Club, Grace, Hale, Harold, Highland, Irving, Jean, Joal, Maude, North, Hillcrest Farm to Old North, Oakhill, Smith, lower end; South from bridge to upstream Neponset River culvert, and Thomas.

Everett and Old Diamond Streets were scarified and surfaced with tar. The remaining gravel portion of North Street was shaped and surfaced with tar. A total of 47500 gallons of asphalt and 15,000 gallons of tar were used.

The following streets were scarified and surfaced with tar by contract: Broad, Grant Avenue, Harvard, Park and Pearl. This work was voted by the Town following passage of enabling legislation.

DRAINAGE

New street drains were constructed on Domenica Road, West Street at the Neponset River, and Oak Street. Drains were reconstructed on Lincoln Road and Washington Street at the railroad overpass.

SIDEWALK REPAIRS

All sidewalk repairs were undertaken by the Town this year instead of by contract. For this purpose we rented a small roller. Repairs were made on the following sidewalks: Main, Common, Union, Washington, Walcott, East, Field Drive, Edgewood Ave., Morningside Drive.

SNOW REMOVAL

We are now buying salt in bulk as well as bags, through competitive bids. A bin was constructed for storage. Not only is the salt obtained cheaper in this way but it is also easier to handle by machine. A snowplow was mounted on our catch basin cleaner increasing the number of our truck plows to eleven.

TOWN GARAGE

Bids for the maintenance and office portion of the garage were opened in August and rejected as they exceeded the appropriation.

After a few minor design changes, the building was re-advertised in October and awarded to the United States Construction Company for \$24,999.00. At year end, the construction was approximately 50% complete.

EQUIPMENT

The only major piece of equipment purchased in 1959 was a four-wheel drive Oshkosh dump truck. We disposed of a 1953 Austin Western sweeper.

Park Department

Lawn mowing was greatly expedited by the purchased of a six foot power mower which was attached to one of our tractors.

Approximately 40 street trees were planted while a number of dead trees were removed.

Extensive reconstruction of the main athletic field was done. This included relocation of the baseball diamond and excavation in the left field area. Although a contract was prepared and bids were solicited, no bids were received, so the work was done largely by the Town.

The base paths were rebuilt on the Little League fields at the Bird, Stone and Old Fisher Schools.

Improvements were made in the plantings at the center Common. The Walpole Garden Club and Spruce-Up Committee sponsored the work and provided all the new plants and shrubs and much of the work as well.

An asphalt walk was built around the South Walpole pool and the exposed banking graded, loamed and seeded.

TOWN ENGINEER

In the town forest, various pine plantations were thinned and the resulting cordwood sold to a local industry for \$326.25. This appears to be the first time any revenue has been obtained from the forest.

Boy Scouts of Troop No. 60 practiced conservation in part of the forest.

Gates and bars were constructed at three of the access roads to prevent private automobiles from entering.

During the summer an unusually heavy case of oak leaf miner caused considerable damage to the white oaks, principally in East Walpole. A few black oaks were also affected. Authorities at the Norfolk County Agricultural School were consulted and it appears that the trees are in no immediate danger.

Two beautiful Christmas trees were donated to the Town by Miss Loretta Walsh and Mr. and Mrs. Howard P. Hansen, for display on the commons at the Center and South Walpole.

Aside from the mowing machine, no new equipment was purchased.

Water and Sewer Departments

WATER

Statistics

No. Gallons Pumped 1959	747,919,000
No. New Services	141
No. Renewals	13
No. Services in System	3319

In accordance with our program, the following steps were taken to improve the system:

1. Well tests were made at the most promising of the potential well sites as determined by last year's seismic tests. Only one of the sites tested yielded enough water to justify development, and this one is still being investigated.
2. A steel fence was installed at the Davis Street elevated tank.
3. Engineering investigations of the Washington Street well field were made, in order to locate possible leaks.
4. Emergency pumping facilities were installed so that in the event of complete electrical failure, plus failure of the 1914 diesel, water can still be pumped by fire engines. This work is still going on.

All of the fire hydrants were inspected and painted. There are now 458 hydrants in the town, including those listed below. Six hydrants. were damaged by automobiles and had to be replaced.

The following mains were installed by the town:

Street	Size	Type	Length	Hydrants
Mylod	8	C1	1,670	0
Route 1	6	C1	800	1

The following mains were installed privately:

Street	Size	Type	Length	Hydrants
Alton	6	Trans.	850	1
Alton	8	"	50	0
Brook Lane	6	"	250	1
Brown Drive	6	"	900	0
Cedar	8	"	475	0
Conifer Drive	6	"	950	1
Country Club Drive	6	"	250	1
Irving Drive	6	"	1,475	1
MacDonald Circle	8	"	975	1
McKinley Avenue	4	"	275	0
Norton Avenue	6	"	400	1
Pontiac Road	6	C1	240	0
Route 1	6	Trans.	425	0
Woodard	8	"	1,000	0

Approximately 300 feet of main on Elm Street was lowered in conjunction with the Chapter 90 road reconstruction.

The two vacuum pumps in the Washington Street Station were rebuilt and installed in such a way that they now work more efficiently.

A town wide program of water meter surveillance was initiated. The purpose is to make sure that all of our approximately 3300 meters are registering correctly. Meters were sealed when inspected. By the year's end 1,000 meters had thus been checked and 219 were changed. Of those changed, the majority were rebuilt and placed in service again.

The following major repairs were made to public buildings during 1959, in accordance with our program:

SEWER

Fourteen new sewer services were added to the system and three discontinued, making a new total of 772 services in the system.

Trees and brush growing over the main outfall were cut to prevent root stoppages.

A two-ton Ford dump truck was purchased.

Bids to furnish a winch-type sewer cleaning machine are still under consideration.

Building Repairs

Bird School — Completed first stage of two year program to convert old manual training room for cafeteria use, painted two rooms and upper hall, north side; refinished one floor, replaced many curtains.

Boyden School — Painted portions of interior, installed kitchen fan.

New Fisher School Painted five rooms, repaired areas damaged by roof leaks.

Old Fisher School — Removed cupola, moved library downstairs, installed basement exit, enclosed one stairway, installed library lighting.

Plimpton School — Treated playground with asphalt and sand, constructed parking area, constructed additional walk, painted exterior, installed cast iron downspout, installed lights—hall and stairways; installed tile floor in teachers' room.

New Stone School — Completed installation of acoustic tile in corridors and lobbies, placed non-skid tape on stair treads, installed new grills on fresh air ducts.

Old Stone School — Installed steam line from New Stone School so that one heating plant heats both buildings, installed two basement exits, basement partition, and basement wiring and lighting.

Junior High School — Refinished two floors, painted three rooms, repaired shower room wall, replaced curtains in shop.

Senior High School — Painted exterior green, painted five rooms, installed canopies over two entrances, installed dark curtains in two rooms, installed three clocks, installed spotlight over one entrance, removed wall and installed door in guidance area.

Blackburn Memorial — Painted masonry chimney, painted basement interior.

Public Works Yard — Installed three overhead doors, painted engineer's house, renewed foundation under storage sheds.

Center Library — Second floor installed by trustees, installed fluorescent lights, in children's department, installed acoustic ceiling in children's department and staff room, installed sink-cabinet in work room.

Town Hall — Completed steps and wall around building and interior renovations, except the basement.

All major repairs were made in accordance with the permanent Building Advisory Committee program. Additional work was done upon requisition of the school, library, and police departments. This work consisted mostly of replacing glass, repairing locks, painting, plumbing and electrical repairs.

Regular inspections by the State Building Inspector resulted in a number of compliance requests. The insurance company boiler inspector also requested incidental repairs. A comparatively new boiler in the Center Fire and Police Station failed in service requiring emergency replacement. The cause of the failure was determined and steps taken to prevent similar failures at other boilers. Boiler insurance has also been broadened and increased.

In addition to strictly building maintenance work, the department also erected street signs, repaired highway fences, erected the election booths, arranged the bloodmobile set up and transported beds and mattresses for the visiting nurse.

Purchasing

Approximately \$157,000.00 in goods and services were obtained by formal bidding.

In certain cases, where formal bidding was not required, written quotations were solicited.

Full consideration to local merchants and craftsmen has been shown in placing orders. At the same time, the widest possible competition has been sought.

Plumbing Inspector

EDWARD F. ONION, *Plumbing Inspector*

Two hundred fifty-eight (258) plumbing inspections were made during the year, and satisfactory workmanship has been done throughout the town.

One hundred twenty-two (122) septic tanks and cesspools have also been inspected and passed.

All complaints were investigated and taken care of.

Health Officer

FRANCIS J. ALLENDORF, M.D.

I wish to report that communicable diseases were at a minimum with the exception of Measles and Scarlet Fever which were more prevalent the latter part of the summer and early fall, but no serious complications or sequelae reported. As in previous years booster inoculations of Poliomyelitis were given with excellent response. The Polyvalent Asiatic Flu vaccine was given to many on a voluntary basis by the local physicians. Both vaccine programs, stimulated by notices in The Walpole Times, were sponsored by the Health Department.

Inspections made. Complaints checked and rectified within the Health Laws of the State.

My appreciation to the members of the Health and Police Departments, Visiting Nurses and School Nurses for their aid and co-operation.

Milk Inspector

Combined Report of School Dentist and Dental Hygienist

EDWARD SMOOKLER, D.M.D.

ALICE BOURASSA, R.D.H.

Dental services were provided by Dr E. Smookler, the school dentist, for children in the elementary grades, and a few other children of secondary grades as emergency cases.

Approximately 300 children attended the clinic. The work consisted of extractions, fillings, care of fractured teeth or whatever treatment was indicated.

	Deciduous Teeth	Permanent Teeth
Extractions	131	58
Fillings	497	925
Total Operations	1897	

The dental hygienist conducted and assisted the dentist two days per week; the remainder of the week was spent in classroom visits for follow up work and instruction in dental hygiene. The number of prophylactic treatments was 184.

Inspector of Animals

DR. FRANCIS X. MAGUIRE, *Veterinarian*

All places where livestock are kept have been inspected. Regulations of the Division of Livestock Disease Control have been carried out. An increasing number of dog bites have been investigated and quarantine regulations enforced. No cases of rabies were found. In several neighboring states, Encephalo Myelitis, (a disease of horses which can be transmitted to people), made its appearance again. It is believed that all owners of horses should have their horses vaccinated against this disease in the spring.

Supervisor of Swimming Pools

ROBERT M. GRANNEY, *Supervisor*

The Center, South, and East Pools were popular places for the youth of Walpole this past summer.

We were pleased to see a great increase in the number of children that took advantage of the morning instructional programs at the Center and South Pools. The regular Red Cross course of instruction was followed. The children that completed the course satisfactorily received Red Cross certificates. The classes were held under the supervision of Miss Dorothy Kunde, assisted by Miss Mary McCarthy and Mr. Robert Mattson.

Visiting Nurse Association

VISITING NURSES

LUELLA R. HENNESSEY, R. N. (1st Nurse)

LILLIAN C. McALISTER, R.N.

Substitutes

BEVERLY PENNIMAN, R.N.

ELEANOR WEISSENT, R.N.

Again we are proud to report an active year of nursing service.

4,977 visits were made in 1959. This is an increase over last year of 4,447. We are pleased to note this increase because, rather than being indicative of a greater incidence of illness, we feel it displays, on the part of residents and doctors, a greater cognizance of the services we can and very happily do provide.

Instructions were given to mothers in the care of the newborn and to families in the nursing care and rehabilitation of their acutely and chronically ill. Health guidance and public-health follow-up visits accounted for the remainder of our calls.

We loaned, free of charge, hospital beds, walkers, wheelchairs, crutches, etc., and, as in the past this equipment was appreciatively utilized by many of our residents.

The Visiting Nurses with the voluntary help of many local nurses and other residents conducted, in conjunction with the Health Department, two poliomyelitis immunization clinics, at which 1425 persons received inoculations.

Again, we extend our gratitude to all organizations and private citizens for the much needed aid they have rendered us this past year.

WALPOLE VISITING NURSE ASSOCIATION

Treasurer's Report For Year Ending December 31, 1959

ELIZABETH M. PERRY, *Treasurer*

Receipts	
Cash on hand January 1, 1959	\$1,260.91

Town of Walpole Appropriation for Salaries	7,000.00
Total including Town Appropriation	\$15,989.36
Expenditures	
Salaries including Town Appropriation	\$9,224.15
Other Expenditures	4,103.95
Total Expenditures	\$13,328.10
Cash on hand December 31, 1959	\$2,661.26

Police Department

TIMOTHY A. CULLINANE, *Chief of Police*

	No. Employees	Budget	Expenditures
1940	7	\$23,450.00	\$23,195.43
1950	14	64,622.00	60,339.97
1958	18	112,545.00	111,684.00
1959	18	110,621.00	114,643.55

Several meetings of the members of the Police Department were held at Police Headquarters, during the past year to discuss many changes made in the Criminal Laws by the 1959 Session of the Massachusetts Legislature.

These meetings were important and beneficial to officers charged with the responsibility of investigating crimes, and the proper presentation of evidence in court.

The regular fire-arms practice was held this year at the out-door range off Washington Street under the supervision of Sergt. John Buckley, with all officers making satisfactory progress, and qualifying under the rules of the F.B.I. Practical Pistol Course program.

The in-door range at East Walpole Fire Station is nearing completion and will be used for regular pistol practice and matches.

A new system of keeping police records started in 1958 is proving to be a valuable asset to the Department.

Walpole received a Citation from the American Automobile Association in connection with the Massachusetts Safety Council, for outstanding records of no pedestrian deaths on our Highways for the years 1956, 1957, and 1958. This Citation was presented at Police Headquarters, on December 15th.

Among the items that appeared on the Police Blotter during the year were:

- 2196 Complaints investigated.
- 135 Adult male arrests.
- 7 Adult female arrests.
- 22 Male Juvenile arrests.
- 7 Female Juvenile arrests.

- 235 Accidents investigated.
- 146 Persons injured as a result of accidents.
 - 3 Persons were fatally injured in accidents.
 - 11 Pedestrians were injured.
 - 17 Stolen cars recovered.
- 215 Ambulance calls covered.
 - 41 Emergency trips to hospitals made by cruisers.
- (3) Cruisers driven 123,202 miles.
 - Ambulance driven 3,771 miles.
 - Officers attending District Court 155 days.
 - Officers attending Superior Court at Dedham 36 days.
 - Officers attending Federal Court at Boston 9 days.

In completing this report, may I take this opportunity to express the appreciation of the Police Department to the Board of Selectmen, the Town Engineer, and his staff, the Department of Public Welfare, our Town Counsel, and the Justices of the District Court, for their cooperation, assistance and support during the year.

Fire Department

AARON H. HILL, *Chief of the Fire Department*

	No. Employees	Budget	Expenditures
1940	53	\$11,708.02	\$11,744.61
1950	53	25,685.15	25,504.90
1958	53	37,367.90	35,873.19
1959	53	36,930.85	36,211.07

The volume of calls answered by the Department during 1959 increased approximately 60% over the previous year. Most of this increase was in the grass fire category. The dollar loss of all fires did not increase in proportion to the alarms received.

Your Chief has inspected all public buildings for fire safety on a program basis during the year. Written reports have been submitted to the Board of Selectmen relative to these inspections. Oil burner and petroleum inspections were made as required.

Our monthly meetings involving discussions, training, practice and demonstrations have continued throughout the year. Additional training sessions were held weekly during the summer months for personnel in the Department. Attendance at the weekly sessions is not mandatory but the percentage of members present is most gratifying and is an indication of the spirit prevailing in the Department. The under-water rescue unit also held weekly drills during the summer months.

The cooperation of fire departments from the surrounding towns on mutual aid is excellent. Request for assistance is seldom necessary as all departments are alerted through our radio network and offer or send their equipment without request. At times when a request is urgent our radios have played an important part in obtaining assistance without delay.

The cooperation and efforts of all personnel have been of a high degree throughout the year. They have been called upon to complete many tasks which were dangerous and unpleasant.

ALARM STATISTICS

	1958	1959
Sounded Over the Fire Alarm System	98	163

Fire Alarm Maintenance

AARON H. HILL, *Supt. of Fire Alarm*

During the year five obsolete fire alarm boxes were replaced. No new boxes were added to our system during 1959. Construction on our alarm circuit between stations continued and the tie between Central Fire Station and the East Station was completed. All boxes were inspected and checked periodically for defects and rewound after each alarm.

Service interruptions on our system were negligible, the yearly wire and box replacement programs in addition to regular maintenance were the factors in maintaining this good record. A total of 1,868 manhours were expended on maintenance, repairs, testing and new construction during the year. A total of 163 alarms were sounded over the fire alarm system during the year, this was approximately a 60% increase over the previous year.

The number of units and the usage of radio equipment are increasing yearly in the Fire Department. Progress was made on the program of radio changes required by the Federal Communications Commission. The program will extend over a three year period of which 1959 was the first year.

I take this opportunity to thank the fire alarm personnel for their high degree of workmanship and cooperation during the year. Many special services are performed by these men for the town and they are an important segment of the Fire Department.

Your present Main Library was built and dedicated in 1903. For efforts to bring this about, we owe thanks to Andrew Carnegie for a contribution of \$15,000 (60% of the building cost) and Charles S. Bird for the gift of land.

The first impulse toward a library was started in 1816, when a group of women organized "The Ladies Literary, Moral Society." In 1820, sixty men formed "The Walpole Social Library." Not until 1872 was a library formed for the public at the suggestion of Miss Mary Bird. From its humble beginning of less than 1,000 books, Walpole now has 45,000 volumes. Walpole ranks as one of the best stocked libraries for its size offering maximum service, both to adults and young people. Taking the population of the town and the number of books circulated, Walpole can boast of a 11.6 books per capita. This is an unusually high reading percentage.

Reading interest begins with the very young, preschoolers, who are introduced to picture books by mother and dad. Library Story Hours have been offered for many years. Each school child, in the Walpole school system, has the benefit and enjoyment of books in the classroom supplied by the Walpole Public Library. Think of 65 classrooms with 30 books per room, purchased and processed by the library staff. Much time is given to selection of the classroom books to afford variety and interest to both boys and girls. It is quite a feat to keep a portion of the book budget for the required number of books for preprimer and primer readers as well as the adventure and scientific books needed.

For two years the library has had a Junior High Room for the seventh, eighth, and ninth graders. This is an exuberant age, demanding a

Library".

lot of attention and assistance in searching through reference books for answers or reports assigned by their teachers. Mrs. Dorothy Jackson works in this department for three hours each afternoon. Mrs. Dorothy Wronski is assigned to the Children's Department. Both departments are the responsibility of Miss Ann Locke, Supervisor of Work with Children and Young People. Miss Locke's duties include buying, school visiting and summer reading club. Teachers may consult with her and may bring their classes to the library for a visit or instruction. The special class children from Old Stone School are frequent visitors. Miss Locke and Mrs. Wronski work full time, as time not spent with the public is required for cataloging and preparation of books.

In the Adult Department, the Head Librarian is the only full time librarian with the assistance of part time attendants at the charging desk. Miss Olive Towle does the adult cataloging on a part time basis. The Head Librarian prepares all financial reports for the Town Accountant and Trustees. She is responsible for the expenditure of the money appropriated for salaries, books, binding, periodicals, and utilities. The six Trustees, three women and three men, are chosen by ballot at the town election. They serve for three years with expiration of office coming at different periods. This board determines the library's policies and needs. They present and recommend the library budget to the Finance Committee.

Two years ago, because of the increased use of the library by the public, it was decided to keep the library open from 9 a. m. until 9 p. m. The townspeople gave their approval of this use of the building by a standing vote with a favorable majority.

This year, the purchase of a larger desk for the Main Library was approved and all are invited to see this new equipment which was so necessary to handle the increased book and borrower records. Walpole now has approximately 5600 borrowers registered as active users of the library. After four years, if a patron has not reregistered, his record is shifted to an inactive file. The 5600 are positive registrants using the library.

The Walpole Public Library system has two branches. Miss Beryl Simpson is a full time librarian in charge of the East Walpole Branch, with Mrs. Cecile Pepin Edwards, a full time Children's Librarian for East Walpole. Two assistants take turns doing part time work at the branch during evenings or the librarians' free day.

North Walpole Branch, open three afternoons a week from 2 p. m. until 5 p. m., is in new quarters in the basement of the Old Fisher School. Mrs. Ethelle Cobb is in charge. About 1000 books per month are circulated at this branch.

Work on the new mezzanine book stack room began at the Main Library on December 14, 1959, and will be completed early in January 1960. The appropriation for this addition was approved at Town Meeting in the spring, following a report of the Library Facilities Committee.

On February 12, 1959, the resignation of Mr. Robert Gillespie as Trustee was received and Mr. Lytle G. Williams was appointed to fill the interim vacancy.

The Board of Selectmen signed a Proclamation stating that the observance of National Library Week would be held from April 12 to 18. The Walpole Junior Chamber of Commerce, under chairmanship of Mr. Louis E. Hoegler, Jr., helped to bring the library to Main Street. The local merchants cooperated by giving window display space.

The Walpole Woman's Club have given the library book display space at Activities Day and Flower Show Day. The Antiques Research Group have charge of the Hobby Display Case at the Main Library. The East Walpole Library annually exhibit the Flower Show for the East Walpole Garden Club. Also, many artists in the Norfolk County Area hold art displays at this branch. The League of Women Voters have a book shelf at the Main Library. The Head Librarian spoke to this group at their KNOW YOUR TOWN meeting.

Townpeople may note the new plantings of shrubbery at the Main Library and East Walpole Branch Library which the Spruce-Up Committee and the Walpole Garden Club supervised. A special "thank you" is extended to the Walpole Cooperative Bank who furnished the Library with a generous supply of book-marks. The Walpole Library has many "Friends of the Library" who are donors of books, records, flowers, and their genial good will. As Walpole is known as "The Friendly Town," its library also is known as friendly. It unquestionably is active.

The Trustees and Librarian thank Mr. Robert Boyd, Town Engineer, and his department, for their interested cooperation. We could not carry on without their keen interest and assistance.

Town Treasurer

GERALD I. FLYNN, *Town Treasurer*

	No. Employees	Budget	Expenditures
1940	1	\$3,234.40	\$2,795.41
1950	1	6,045.70	5,673.96
1958	1 1 part-time clerk	8,729.60	8,368.32
1959	1 1 part-time clerk	8,583.55	8,612.12

Herewith is submitted the Report of the Treasury Department of the Town of Walpole for the year ended December 31, 1959.

Cash in Treasury, December 31, 1959	\$3,135,480.95
Norfolk County Trust Co.	\$521,021.92
First National Bank of Boston	2,000.00
Second Bank State Street Trust Co.	25,000.00
Merchants National Bank of Boston	60,000.00
Merchants National Bank of Boston (School Construction Account)	589,656.68
National Bank of Plymouth County	22,000.00
United States Treasury Bills	1,878,804.00
Cash In Office	36,998.35
	<hr/>
	\$3,135,480.95

On investments made in U. S. Treasury bills by the Treasurer in 1959, the Town realized interest of \$3,187.50 In 1960 the Town Treasury will be enriched by approximately \$40,000 in interest. The Town Treasurer was able to invest two-thirds of the money borrowed for the construction of the new East Street Junior High School. The money was borrowed for 3½% and re-invested at a 4½% rate.

On December 31, 1959, the bonded debt of the Town of Walpole was \$3,352,000.00

The total is divided as follows:

New Stone School	\$243,000.00	
Sewer Construction	25,000.00	
Fire and Police Station	24,000.00	
School Project Loan, 1954	700,000.00	
School Loan, 1954	450,000.00	
East Junior High School, 1959	1,310,000.00	
School Loan, 1959	600,000.00	
		\$3,352,000.00

Our present debt limit as fixed by law is \$1,499,084.00. Of the \$3,-352,000.00 total debt, \$2,170,000.00 is outside the limit and \$1,182,-000.00 is within the limit. The debt limit is arrived at by taking the average valuation of the preceding three years and multiplying that figure by 5%.

Appropriations must be made in 1960 for the payments of Bonds and Notes amounting to \$221,000 and interest of \$95,418.75.

**THE FOLLOWING TRUST FUNDS ARE IN THE
CUSTODY OF THE TREASURER**

Charles Fales Scholarship Fund	J. Ella Boyden Fund
Joseph S. Leach Scholarship Fund	Lewis Drinking Fountain Fund
Charles S. Bird Library Fund	Lucy J. Gould Library Fund
Public Library Fund	Bird Scholarship Fund
Frederick E. Clapp Memorial Fund	Cemetery Care Funds
Mary W. Hyde Library Fund	

Added to the list of Trust Funds this year were the J. Ella Boyden Fund and the Joseph S. Leach Scholarship Fund making a total of sixteen Trust Funds now in the custody of the Treasurer.

Town Counsel

RICHARD H. KANNALLY, *Town Counsel*

	No. Employees	Budget	Expenditures
1940	1	\$2,400.00	\$2,377.56
1950	1	2,850.00	2,814.18
1958	1	4,258.75	4,180.65
1959	1	4,158.75	4,021.45

Your Counsel has discharged all obligations imposed upon him by Article 4 of the Town By-Laws as set forth in the Town Charter including drafting of conveyances and other legal instruments, drafting articles for the Town Meeting Warrant, furnishing written and verbal opinions to various Town officials and committees, defending suits brought against Town officials and employees before various courts in the Commonwealth. The growth of the Town with its increase of legal problems is reflected

in the budget as set forth above. Also, the increase and many changes in Municipal Law by the Legislature each year require more and more time to be devoted to the position.

The sidewalk rebuilding program adopted by the Selectmen with the approval of the Appropriations Committee will result in protection to the Town against suits for defects in the way.

I wish to thank all Town officials, boards and committees for their cooperation in all matters.

The Board of Public Welfare takes this opportunity to publicly express its appreciation for services rendered by Mrs. Mabel Hart while a member of our department. Mrs. Hart served on the Board of Public Welfare for a total of 26 years and we are all grateful to her for the devotion which she so readily gave in serving this department's interests. We extend our sincere best wishes for a happy retirement.

We have been fortunate in securing as a member of the Board of Public Welfare, Mrs. Beverly B. Penniman, who comes to us with a background of association that is vital for proper understanding of the functions of welfare work. In her capacity as a part time district nurse she knows and appreciates the physical need that people have for medical assistance within the area of this town. We are confident that Mrs. Penniman's knowledge and experience will serve this town to excellent advantage.

The financial expenditures of this department for the past year have been properly illustrated for your understanding in another section of this report so that the figures will not be duplicated here; however, we believe that you will be interested to know that to date a total of \$16,657.51 has been collected through the exercising of the Lien and Recovery Act. This type of recovery of course further reduces the net expenditures of the department and thus serves to reduce the tax rate.

It is our opinion and our understanding that no resident of Walpole failed to receive needed assistance. In accomplishing this result the Department of Public Welfare gratefully acknowledges at this time the many kind and generous donations of food, clothing and money received from individuals and organizations. We also wish to acknowledge the excellent cooperation of every department and employee of the Town of Walpole.

Board of Appeals

DENIS F. O'BRIEN, *Chairman*

JOSEPH C. DONNELLY, *Clerk*

ARTHUR L. EAMES, *Member*

JOHN C. PEYTON, *Associate Member*

The Board of Appeals continues to meet on the first and third Wednesdays of the month whenever a petition is pending. Public hearings are conducted in the Selectmen's Room of the Town Hall, and occasionally it has been necessary to use the Blackburn Memorial Hall when public attendance and interest is greater than normal.

There were 61 hearings conducted during the year 1959 as follows:

Special permits and variances granted	41
Special permits denied	11
Application withdrawn	1
Petition dismissed	1
Amendments granted	1
Action deferred	4
Referred to Building Inspector	2

The Board regrets the resignation of Richard E. Read as Clerk of the Board. Joseph C. Donnelly was appointed Clerk of the Board of Appeals. John C. Peyton was appointed by the Selectmen as Associate Member.

Planning Board

LOUIS E. HOEGLER, JR., *Chairman*

HAROLD M. SMITH, *Vice Chairman*

LEO F. TETREAUULT

THOMAS J. KENNEDY, *Secretary*

WALTER C. ROCKWOOD

	No. Employees	Budget	Expenditures
1940	1 part time	\$140.00	\$132.90
1950	1 part time	205.00	189.14
1958	1 part time	602.65	559.00
1959	1 part time	504.00	495.16

The Town Planning Board's regular meetings were held during 1959 on the third Tuesday of each month. In addition, four special meetings or hearings were held.

Public hearings were called on eight petitions for sub-divisions.

Approved:

Pontiac Road (4 homes),—Edward Oslewski

Brook Lane—William McNaught, Jr.

Oak Hill Drive—John D. Murphy

Woodard Road—Frank Smith

Alton and Neal Streets—Highland Realty Trust, Emil DiPlacido,
Trustee

Camilla Drive—Sabino Pasquale

Disapproved:

Woodruff Road, etc.—Bay State Development Co., Michael J. Previtt.

Note: On the sub-division which was disapproved, the Town Planning Board's decision was taken to Court and it is probable that the decision will be reversed by the Court.

Two petitions were presented for Zoning Changes and public hearings were called on these.

Joseph Lorusso for a lot on Main Street adjoining the present business district at the intersection of East and Main Streets, from residential to Business Zone.

Celia E. Jones for a parcel 500' x 700' on the southwest corner of Washington and High Plain Streets.

The Board, at the Annual Town Meeting in 1959 reported against the Zoning change of Dr. Maguire from last year's report and in favor of the change of Joseph J. Lorusso above. The voters of the Town supported the Board's action in both cases. The petition of Mrs. Jones will be taken up at the Town Meeting in 1960.

During the year, several meetings were held with the Selectmen, Town Engineer and others with an aim toward long range planning of streets, sewers, drainage and other problems of the Town.

Civil Defense Department

L. SALONEN, *Director*

During the year 1959 Walpole's Civil Defense Department once again met State requirements for preparedness. Our Radio Communications and Radiology Divisions functioned expertly during the national "Operation Alert". Air raid sirens were repaired and are now operative 24 hours a day.

The Auxiliary Police pistol team continued as one of the best in this area. Radiological equipment was furnished to the High School Science Department and a program instituted for its use.

The reduction of State Civil Defense budgets has increased the responsibility of local CD departments as Area and Sector offices are only activated in case of emergency. Walpole's Civil Defense organization now includes approximately 100 citizens who are ready to respond in any emergency.

A Basic Operations Plan developed during 1959 will direct those actions which will be taken by CD forces, Town employees, and the entire population of Walpole at the time of impending or actual enemy attack.

RALPH E. GLENNON, *Asst. Treasurer*

ROBERT A. COBB

During the year, the Authority continued to improve the appearance of the project by landscaping the entrance, spot painting where necessary, and replacing screens, storm doors and windows.

An important problem is the maintenance of cesspools and septic tanks. The State Housing Board is now devoting considerable time in trying to remedy this situation, and it is hoped that in 1960 a solution will be found.

The Authority hopes to install gutters on the rear of all the houses, new hot-top walks and parking stubs, and vinyl asbestos floors in the kitchens and bathrooms.

"Robinwood", built under Chapter 200 of the General Laws, consists of forty-five single family homes—twenty-two two bedroom units and twenty-three three bedroom units. The average rent was approximately \$43.00.

Veterans' Services

JAMES J. FITZGIBBONS, *Director, Agent*

It has been predicted in several previous Annual Reports that benefits paid to those eligible would continue to show an increase. During 1959 the total amount paid for Veterans' Benefits exceeded that of 1958. Most noticeable was the increase paid for Medical Care—\$5081.12 having been expended compared with \$1350.80 in 1958. Total expenditure for all Veterans' Benefits in 1959 exceeded \$14,000.00 compared with a total of \$10,613.04 for 1958.

Once again this office processed a number of claims for Veterans or their widows for pensions from the Federal Government, and to the best of our knowledge all claimants have been given awards.

We continue the practice of obtaining hospitalization in Veterans' Hospitals whenever possible for Veterans who need such care, thereby eliminating hospital expenses otherwise borne by the Town.

Industrial and Development Commission

A. PELHAM STEVENS, *Chairman*

JOHN J. BURKE

P. BERNARD SPILLANE

ANTONIO J. LORUSSO

PETER BREYMIER

The Industrial and Development Commission, with a budget of \$750.00 had expenditures of \$721.03 in 1959. Of this amount, \$690.00 was paid to the Walpole Press for the preparation of a 4-page illustrated brochure describing the town. The balance, \$31.03, was expended in mailing the brochure to a list of industrial real estate brokers, contractors and manufacturing plants located in the area between Boston, Providence and Worcester.

The Commission has met bi-monthly on the first and third Tuesday of the month. It is encouraging to report there is a marked increase in the number of inquiries from commercial and industrial firms for space and land in Walpole. Some of these have been from electronic and light manufacturing plants, as well as from companies seeking warehouses for wholesale distributing.

We are pleased to welcome the Blanchard Lumber Company who will build general executive offices and a wholesale distributing center in a most attractive building on the New Haven Railroad at Route 27 near Mill Pond Estates. Personnel will number about thirty people.

Fernandez Market will build on Main Street, just north of the Boston Edison plant, with eventual plans for a 5-store shopping center in conjunction with its supermarket.

With the extensive modernization and alterations made by Mr. Lorusso to the store fronts on both sides of Main Street, in the center of town, the completion of the new A & P Supermarket and adjoining Shopping Center with the new branch of the Dedham Trust Company, we believe that the commercial atmosphere of the town has greatly improved.

For 1960 the Commission wishes to capitalize on these improvements by advertising and additional promotion in order to further attract the type of industry and commerce which will benefit the town.

1959	143	27	1,048,480.00	1,040,271.93	3092

School Enrollment

School enrollment in Walpole continues to rise steadily, and all indications point to a continuance of this trend in the immediate future. We are badly in need of additional classrooms at both the secondary and elementary school levels. A glance at the following table will bring our problem to focus:

September 1959	3092 pupils enrolled
September 1960	3284 pupils expected
September 1962	3752 pupils expected
September 1965	4310 pupils expected

The new East Junior High School with a capacity of from 800 to 900 pupils should take care of our secondary needs for at least 10 years. For a short time our overflow at the elementary level can be taken care of in the Junior High Building, Old Stone and Old Fisher Schools. An anticipated Parochial School should give us relief in the Stone and Fisher in the Junior High Building, Old Stone, and Old Fisher Schools. An School is needed. The fast growing East Walpole area is overcrowding the 16 room Bird School. By September 1960, 18 rooms will be needed. Two rooms will have to be transported to the Old Stone School.

School Site Committee

Working quietly but efficiently, the Site Committee has continued to carry out suggestions made in the Master Plan as to securing school sites that will be needed in the near future. All of us are aware that good school sites are very hard to find in Walpole. South Walpole sites and High Plain Street sites are now being considered by this Committee.

East Junior High Building Committee

The new Junior High School went out to bid on December 15, 1959. J. L. Marshall & Sons from Pawtucket, R. I. were the low bidders. The contract was signed on December 22, 1959 and construction started immediately. The committee is pleased that five of the low bidders came well within the allotted budget. The general contractor has an excellent reputation and a quality job is expected.

New Teaching Techniques

A review of the educational practices of the year shows that several new techniques have been put in operation. The reading program has been extended by the use of several reading texts at various grade levels. Now the different reading groups within a grade have available textbooks better suited to their needs. A greater emphasis is being placed on phonics as an aid in the process of learning to read.

In some of our schools, a plan of teaching by departments is being tried. Teachers who have a special interest in some subject field will exchange classes with a teacher with a special interest in another subject field. Better teaching techniques should result from this exchange.

Another teaching procedure is called team teaching. In this, a class is grouped in small sections on the basis of ability. Such an arrangement allows teams to advance at their own speed. Some teams can receive more help from the teacher, as it is needed.

It is well known that pupils in a class vary greatly in their ability to read. A plan is being tried, which disregards formal grade placement. The reading groups are organized on the ability of pupils to read and the groups may consist of pupils from different formal grade levels. Again this procedure enables some pupils to read more extensively and advance at their own ability level. Those who require more time and teacher attention can receive it without delaying the work of the faster moving groups.

Language Study

In order to prepare students better in foreign language study, French has been introduced at several grade levels. In grades three and four, television programs featuring French are being used. In grades seven and

HOME ECONOMICS CLASS

CHEMISTRY CLASS

LIBRARY

RADIO CLUB

JOHN F. MCGOVERN, HIGH SCHOOL PRINCIPAL

eight, formal classes in introductory French are being taught. This work combined with offerings in French in the senior high school should give students an excellent knowledge of French grammar and the ability to use the language fluently. A language laboratory has been established at the senior high school for the expanded teaching of French. Funds for the installation of this laboratory have been partly provided by the National Defense Education Act. The provisions of this act have also allowed increased supplies and apparatus for the physics laboratory in the junior high school. The language laboratory enables students to listen to tapes and records in which correct French is spoken and also, it permits students to make recordings of their own voices in pronunciation and expression in the foreign language. This study will prepare advanced pupils for the oral examination, which will be offered by the College Entrance Board.

Salary Program

A flexible salary program is being studied by teachers and school committee members. The purpose of this program is to attract and retain well qualified and experienced teachers. It is hoped that the plan can be put into operation in March of next year.

School Cafeterias

From time to time, the question of the cost of operation of school cafeterias has been discussed. In order to determine the feeling of the citizens, in regard to cafeterias, a survey was made. The results showed a very definite desire to keep cafeterias and to provide for more cafeterias as new school buildings are constructed.

High School Evaluation

During this school year, committees of senior high school teachers have been working on the evaluation of the high school organization and subject offerings. This work is in preparation of a visit by a group selected by the State Department of Education, which will evaluate the senior high school. In order to maintain a desirable rating by the State Department, all high schools are evaluated every ten years.

School Lunch Program

Our main objective in the School Lunch Program remains the same — "service to children", thereby maintaining and improving the health of the child in the school and community through nutritionally and educationally sound non-profit quantity food service in the school education program. Walpole has made the school lunch program available to 90% of its school population. "Basic responsibility for the school lunch program is in the hands of the State Educational Agencies, but the Federal Government, specifically the Secretary of Agriculture, establishes the national standards and is responsible for general supervision. The Federal

MRS. ALICE REDDY — 1895 - 1959

Mrs. Reddy was a graduate of Hyannis Normal School and came to Walpole in 1921 as a teacher of Grades IV-V in the Bird School. She taught one year and resigned to be married.

In 1955 Mrs. Reddy returned to teaching and served as a coaching teacher in arithmetic in the elementary grades.

Mrs. Reddy was a conscientious teacher and will be greatly missed by both teachers and pupils.

MISS THELMA PATTON

Miss Patton studied practical nursing and served as assistant to Miss Downing from 1955 to 1959, when she resigned to accept another position in Boston.

Miss Patton's solicitous and cheerful help to our children will long be remembered with gratitude.

MRS. CAROLE LAMORE TRAVERS

Mrs. Travers served as Secretary to the Superintendent of Schools from June, 1953 to May, 1959. She was an outstandingly efficient secretary, both to Mr. Jones and to Mr. Powers. Mrs. Travers resigned to take up duties as a housewife and mother.

All the personnel of the School Department will miss Mrs. Travers' ever-willing response to the many questions and problems that came up during her years in the School Department. Not only the adults, but the many school children who had contact with her, wish her good fortune and happy years in her "new" job.

MISS MILDRED WALLACE

Mildred Wallace came to Walpole in September, 1923 as a teacher of physical education in the elementary schools. She was successful in this assignment, and the field hockey teams, which she coached, made an outstanding record of games won over a period of several years. In 1956, she was assigned to the guidance department of the Junior High School.

As a coach she will be remembered as one requiring hard work and strict adherence to rules of play, and as a teacher for her friendliness and spirit of cooperation. May she enjoy many happy years in her new home in Vermont.

Government supports the program with money and surplus food grants. In 1959, Federal funds going for school lunches totaled \$110 million. Value of surplus foods distributed in 1957 was \$132 million, last year \$75 million. These figures do not give the whole story. The total wholesale value of food going into school lunches is close to \$600 million a year. About 85% is purchased by the local buyers and managers of school lunch program. This serves to underline how important the school lunch program has become as a market for food purchased." Last year Walpole School Lunch Program served to children 217,352 hot lunches, and 455,419 cartons of milk. The surplus commodities received by the Walpole program were valued at \$8,387.12, costing the program \$274.40. Our lunch sales were \$74,631.25 plus the subsidy of \$29,207.67, an increase in income from lunch sales of \$11,11681 over the previous year. We received an increase in subsidy of \$3,884.33, served 27,871 additional meals, and an increase of 35,411 cartons of milk consumed. Financially we were able to make both ends meet.

Awards in 1959

The following awards were made at the Graduation Exercises for the Class of 1959:

MARTHA METCALF ALLEN SCHOLARSHIP

Marilyn Bowden

WALPOLE TEACHERS' ASSOCIATION SCHOLARSHIP

Robert Pike

WALPOLE WOMEN'S CLUB SCHOLARSHIP AWARD

Robert Pike

CLASS OF 1958 SCHOLARSHIPS

Susan Aldrich - Ellen Powers

FREDERICK E. CLAPP AWARDS

Mary Mastropieri - William Roberts

WALPOLE WOODWORKERS' SELF-IMPROVEMENT AWARDS

Marilyn Johnson - James Hazlett

Charles Fales Scholarship Awards

The Fales Fund Scholarship Committee voted, after a careful investigation of the candidates, to award the 1959 scholarships to the following students:

Marilyn R. Bowden, attending Simmons College

Prudence A. Bunker, attending Lake Erie College

David H. Carlson, attending Tufts College

Judith A. Collins, attending Emmanuel College

Warren F. Davis, attending Mass. Institute of Technology

Geraldine A. Desrosiers, attending Northeastern University

Donald E. Grant, attending Mass. College of Pharmacy

Glenn C. Light, attending Cornell Graduate School

Charles Fales Scholarship Committee is Mr. Thomas Allan, chairman; Mrs. Margaret Forssell, secretary; Mrs. Eleanor Johnson, Mr. Evans Spear, Jr., Mr. Thomas Jackson, Mr. Paul C. Bunker and Mr. John F. Powers, superintendent of schools, and Mr. John F. McGovern, principal of the Senior High School.

Health Department Report

Francis J. Allendorf, M.D., *Health Officer*

BIRD, STONE, FISHER, PLIMPTON AND BOYDEN SCHOOLS

Routine Physical examinations were performed on all students in the Fifth and Sixth Grades of the above-named schools. These examinations were performed in the early part of the school year. Defects noted, recorded and parents notified. This was followed by a recheck of the defects which were corrected, as found necessary. Accidents, as per school regulations, were treated with the assistance of the School Department Nurses.

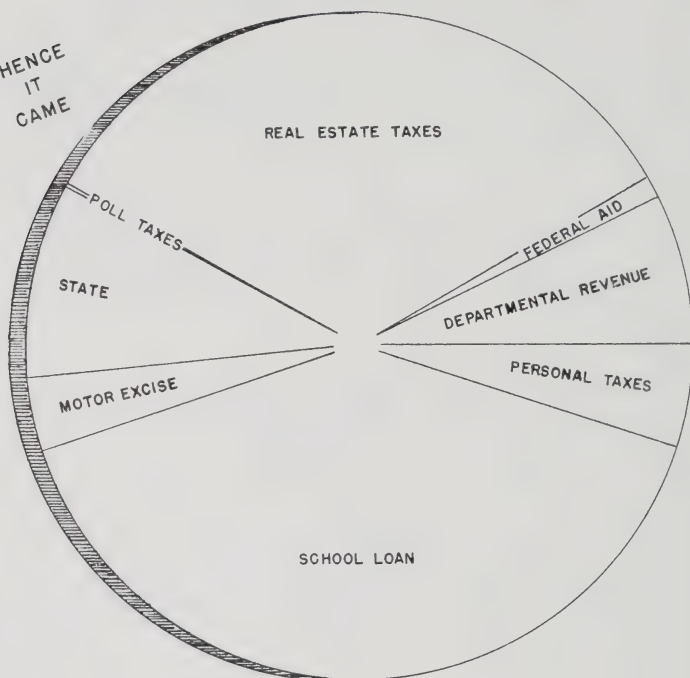

I wish to express my thanks for the co-operation of the School Nurses and Teachers for their excellent assistance.

Town Accountant

BRUCE B. FARRAR, *Town Accountant*

	No. Employees	Budget	Expenditures
1940	1	\$2,491.00	\$2,490.20
1950	1	3,585.75	3,467.42
1958	1	4,868.85	4,824.34
1959	1	5,219.20	5,208.99

The Town Accountant is charged with the duty of keeping the Financial books of the Town, in which are recorded the Receipts and Disbursements resulting from the financial transactions of the Town. The books are, at all times available for inspection and reveal at any time, the exact condition of the Town's finances.

The work of the Town Accountant's office along with the other offices connected with the financial affairs of the Town has been steadily increasing due to the rapid growth of the Town since the war, and the increasing participation of State and County government in affairs that had been handled locally.

It is the duty of the Town Accountant to examine all receipts and expenditures of the Town and pass upon whether they are proper and in order. In addition, he must furnish each department head periodically a list of the Appropriations under his control, with the exact balances, and a detailed statement monthly to the Director of Accounts, Selectmen, Finance Committee and Town Engineer showing all Appropriation balances.

The Town Accountant takes this opportunity to publicly thank all of the officials, boards and committees of the Town for the fine cooperation which he has received from them during the year.

In accordance with the provisions of Section 61, Chapter 41 of the General Laws the following reports are submitted. All reports are arranged in accordance with the classifications prescribed by the Director of Accounts.

ABSTRACTS OF RECORDS OF TOWN MEETINGS

Commonwealth of Massachusetts

TOWN OF WALPOLE

ANNUAL TOWN ELECTION

Monday, January 19, 1959

With Adjourned Meetings March 2, March 23 and March 30, 1959

The Warrant was issued by the Selectmen under date of December 18, 1958 and was signed by Charles R. Howard, Charles W. Kemp, Edward J. Delaney, Harold E. Higgins and Janice Wilkins.

The Warrant called for the election by ballot of five Selectmen, one Town Treasurer, one Town Collector, one Town Moderator, all for one year, one member of the Town Planning Board for five years, one Assessor for Taxes for three years, two members of the School Committee for three years, one Commissioner of Trust Funds for three years, one member of the Walpole Housing Authority for five years, two members of the Public Library Trustees for three years.

The proper service of the Warrant was attested by Timothy A. Cullinane, Constable of Walpole. All requirements of the State and Town By-Laws relative to Elections were complied with.

Commonwealth of Massachusetts

TOWN OF WALPOLE

ANNUAL TOWN MEETING

January 19, 1959

Norfolk, ss.

Pursuant to the foregoing warrant, at a legal meeting of the Inhabitants of Precinct 1 of the Town of Walpole, qualified to vote in elections and Town Affairs met in the Blackburn Memorial Building, in said Walpole, on

MONDAY, THE NINETEENTH DAY OF JANUARY, 1959

at 7:30 A.M., and the Inhabitants of Precinct 2 of said Town of Walpole qualified to vote in Elections and Town affairs, met in the East Walpole Fire Station in said Walpole, and the Inhabitants of Precinct 3 of said Town of Walpole, qualified to vote in Elections and Town affairs, met in the Community House in South Walpole, on the same date and the same hour to bring in their votes for the officers as called for in said Warrant.

The meeting in Precinct 1 was called to order by Walter R. Angus, Warden of said Precinct, duly qualified for office, who acted as presiding officer. He was assisted by the following election officers, all duly qualified for office: Daniel F. Delaney, Deputy Warden; Vincent Fitzpatrick, William E. Smith, James Turco, P. Bernard Spillane, Walter C. Rockwood, Jr., George Corbett, Arthur Platt, Frederick B. Platt, Arthur W. Mellin, Thomas C. Jackson, Christopher F. O'Neil, Robert I. Stewart.

The meeting in Precinct 2 was called to order by Francis H. White, Warden of Precinct 2 and duly qualified for office, assisted by the following qualified election officers: Roger White, Deputy Warden Pro-Tem; Albert W. Smith, Samuel Hunter, John King, Russell McDonald, Frank Eisenhaur and Walter Novick.

The meeting in Precinct 3 was called to order by Richard J. Quinn, Warden of Precinct 3 and duly qualified. He was presiding officer and was assisted by the following qualified election officers: Oliver Ceruti, Bruce Crocker, and William Morrissey.

Results determined in accordance with the provisions of law, declaration thereof was made on open Town Meeting in the Town Clerk's office and was as follows:

Total number of Votes cast in Precinct 1 was	2,571
Precinct 2 was	960
Precinct 3 was	223
Total	3,754

Commonwealth of Massachusetts
TOWN OF WALPOLE
ADJOURNED ANNUAL TOWN MEETING
March 23, 1959

The meeting was called to order by the Town Clerk, John H. White. A quorum not being present the Moderator (pro-tem) John H. White declared the meeting stand adjourned to March 23, 1959, at the High School Auditorium.

A True Copy Attest:

JOHN H. WHITE

Town Clerk of Walpole, Mass.

TOWN OF WALPOLE
Commonwealth of Massachusetts
ADJOURNED ANNUAL TOWN MEETING
March 23, 1959

Norfolk, ss.

Pursuant to the adjournment of the Adjourned Annual Town Meeting held in the Town of Walpole on March 2, 1959 and all the By-Laws concerning the calling of Town Meetings having been complied with an adjourned town meeting was held in the High School Auditorium on

MONDAY, MARCH 23, 1959 AT 7:30 P.M.

A quorum being present, Moderator William O. Forssell, called the meeting to order. On a motion regularly made and seconded, it was voted to waive the reading of the Warrant.

It was Moved, and Seconded, and VOTED: That the Recommendation of the Appropriation Committee be accepted as Motions.

Article 1. The Moderator appointed Herbert Readel and Walter F. Meyer be elected as Surveyors of Lumber and Measurers of Wood and Bark.

The Moderator appointed Kenneth Hutchins, Julius Yankee, Karl Osterhaut, and Bill Wakefield as Tellers.

Article 2.

REPORT OF THE WALPOLE SCHOOL SITES COMMITTEE

The Walpole School Sites Committee has been engaged in the purchase of one site of land, negotiations for an option to buy a second site and investigation of a third location.

In November of 1958, the 21 acre site of land for the proposed Junior High School between East Street and Washington Street was purchased for \$20,000.00 which was voted at the 1958 Annual Town Meeting. The Town Counsel conducted a title search and aided in the transfer of the title to the town.

A ten acre site for a future primary grade school between Washington Street and Old Post Road, just north of High Plain Street, as recommended by the Educational Service Associates and the High Plain School Building Committee, has a few details to be completed before an option to buy can be signed. The width dimensions sufficient for the proper location of a school and the relation of the north boundary to the proposed sub-division of the Home Building Company is currently being negotiated. There is every assurance that these details will be worked out to satisfactory conclusion very shortly.

Investigation is underway toward selecting a location in South Walpole as the housing trend in that area indicates that prompt attention should be given toward plans for increased school needs in South Walpole.

The study and selection of future school sites in other areas of Walpole will be given attention in the order of their need throughout this year.

WALPOLE SCHOOL SITES COMMITTEE

Richard Lovett
Ralph Kelley
Arthur B. Dimmitt
Louis E. Hoegler Jr.
Walter C. Rockwood Jr.
John F. Powers (ex officio)

Chairman George E. Pettengill presented all motions for the Appropriation Committee.

Article 2. To hear and act on the report of any Committee or to choose any Committee the Town may think proper and transact any other business that may legally come before the Town.

It was Moved, Seconded and VOTED: That the Moderator appoint a committee of five to study and make recommendations with respect to the maintenance and improvement of Town owned land, parks, playgrounds, athletic fields and related

TOWN CLERK

Town Property and after inspection of all such Town Owned Property the committee shall make a written report to the Board of Selectmen with a copy to the Appropriation Committee, making recommendations as to any and all necessary maintenance or improvements deemed necessary and report to the next Annual Town Meeting.

Article 2. It was Moved, Seconded and VOTED: That the Moderator appoint a committee of five to study the advisability of placing the Sewer Department on a self sustaining basis, and it shall be the duty of said committee to make a written report to the Board of Selectmen with a copy to the Appropriation Committee stating that their conclusions with recommendations as to any and all necessary action to accomplish the same, and report to the next Annual Town Meeting.

It was Moved, Seconded and VOTED: That the recommendations of the Appropriation Committee as outlined in the Appropriation Report be considered as motions for action by the Town.

Article 3. To see if the Town will authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year, beginning January 1, 1959 and to issue a note or notes therefore payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws. (Ter. Ed.)

It was Moved, Seconded and VOTED: That the Town Treasurer with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959 to an amount not exceeding in the aggregate Four Hundred and Fifty Thousand Dollars (\$450,000.00) and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, and to renew in accordance with the provisions of Section 17, Chapter 44, General Laws (Ter. Ed.) any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1959.

Article 4. To see if the Town will petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts, for an audit of the Town's Accounts, in accordance with Section 35, Chapter 44, of the General Laws. (Ter. Ed.)

It was Moved, Seconded and VOTED: That the Town shall and hereby does petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts, for an audit of the Town's Accounts, in accordance with Section 35, Chapter 44, of the General Laws. (Ter. Ed.)

Article 5. To see if the Town will authorize the Collector in collecting Taxes to use all means which the Treasurer may use when appointed Collector.

It was Moved, Seconded and VOTED: That the Town authorize the Collector in collecting taxes to use all means which the Treasurer may use when appointed Collector.

Article 6. To see if the Town will authorize the Collector in collecting water rates and service bills to follow the rules and regulations of the Water Department.

It was Moved, Seconded and VOTED: That the Town authorize the Collector in collecting water rates and service bills to follow the rules and regulations of the Water Department.

Article 7. To see if the Town will authorize the Collector in collecting sewer assessments to follow the rules and regulations of the Sewer Department.

It was Moved, Seconded and VOTED: That the Town authorize the Collector in collecting sewer assessments, to follow the rules and regulations of the Sewer Department.

Article 8. To see if the Town will authorize the Selectmen, to sell any and all property now owned by the Town, or to be acquired, as a result of foreclosing rights of redemption in said property, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town authorize the Selectmen, to sell any and all property now owned by the Town, or to be acquired, as result of foreclosing rights of redemption in said property.

Article 9. To see if the Town will instruct the Selectmen, to provide compensation under the Workmen's Compensation Act, for its laborers, workmen and mechanics, including all employees of the Town, regardless of the nature of their duties, receiving injuries out of and in the course of their employment or in case of death resulting from such injury, raise and appropriate money therefor, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town instruct the Selectmen to provide Workmen's Compensation under the Workmen's Compensation Act for its laborers, workmen, and mechanics, including all employees of the Town, regardless of the nature of their duties, receiving injuries out of and in the course of their employment or in case of death resulting from such injuries and that the Town raise and appropriate the sum of Fourteen Thousand Dollars (\$14,000.00) therefor.

Article 10. To see what compensation the Town will allow its Selectmen, Assessors of Taxes, Town Treasurer, and Collector of Taxes, for their services, for the ensuing year, raise and appropriate money therefor, or do or act anything in relation thereto.

Article 11. To see if the Town will raise and appropriate or transfer such sums of money as may be necessary to defray the regular departmental expenses of the Town for the ensuing year, or do or act anything in relation thereto.

Article 10 and 11

RECOMMENDATIONS OF APPROPRIATION COMMITTEE

Article 12. To see if the Town will raise and appropriate a sum of money to pay its proportionate share of the Norfolk County Hospital maintenance, for the year 1958, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of Twenty-Six Thousand Eight Hundred and Twenty and 8/100ths Dollars (\$26,820.08) to pay its proportionate share of the Norfolk County Hospital Maintenance for the year 1959.

Article 13. To see if the Town will raise and appropriate a sum of money to pay its proportionate share in the Contributory Retirement System for the year 1959, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of Twenty-Six Thousand Eight Hundred and Ninety-Two Dollars (\$26,892.00) to pay its proportionate share of the Contributory Retirement System for the year 1959.

Article 14. To see if the Town will raise and appropriate a sum of money for Memorial Day exercises, including the decoration of graves of all soldiers and sailors of Walpole, said money to be expended under the direction of a Committee of Veterans, appointed by the Selectmen, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of Six Hundred Dollars (\$600.00) for Memorial Day exercises, including the decoration of graves of all soldiers and sailors of Walpole, said sum of money to be under the direction of a committee of Veterans appointed by the Selectmen.

Article 15. To see if the Town will raise and appropriate a sum of money for the employment of a District Nurse or other Nurses, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of Seven Thousand Dollars (\$7,000.00) for the employment of a District Nurse or Nurses.

Article 16. To see if the Town will raise and appropriate a sum of money for the employment of a Dental Hygienist in the Schools of Walpole, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the following sum of money for the employment of a Dental Hygienist.

Salary	\$4,541.25
--------------	------------

Article 17. To see if the Town will raise and appropriate a sum of money for the Dental Clinic in the Schools of Walpole, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the following sums of money for the Dental Clinics in the Schools of Walpole:

Salary	\$2,095.00
--------------	------------

Expenses	275.00
Laundry	60.00
Total	<u>\$2,430.00</u>

Article 18. To see if the Town will instruct the Health Officer to collect and dispose of garbage from the Inhabitants of the Town, raise and appropriate money therefor or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town instruct the Health Officer to collect and dispose of garbage from the inhabitants of the Town and that the Town raise and appropriate the sum of Eleven Thousand Three Hundred and Seventeen Dollars (\$11,317.00) therefor.

Article 19. To see if the Town will authorize the Selectmen, to make a minimum charge of \$1.00 for water for Francis William Park, a public park in East Walpole, during the year 1958, raise and appropriate a sum of money to pay the difference between said minimum charge of \$1.00 and the bill rendered by the Water Department for the year 1958 to Francis William Park, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town instruct the Selectmen to make a minimum charge of One Dollar (\$1.00) for water in Francis William Park, a public park in East Walpole, during the year 1958 and raise and appropriate the sum of Five Thousand Three Hundred Ninety-One and 54/100ths Dollars (\$5,391.54) to pay the difference between said minimum charge of One Dollar (\$1.00) and the bill rendered by the Water Department for the year 1959 to Francis William Park.

Article 20. To see if the Town will raise and appropriate or transfer from unappropriated funds, available in the treasury, a sum of money for the maintenance of Chapter 90 roads in Walpole, said money to be used in conjunction with any money which may be allotted by the State or County or both for this purpose, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the sum of One Thousand Eight Hundred Dollars (\$1,800.00) be raised and appropriated to meet the Town's share of the cost of Highway Maintenance of Chapter 90 roads in Walpole, and in addition the sum of Three Thousand Six Hundred Dollars (\$3,600.00) be transferred from the Excess and Deficiency Account to meet the State and County's share of the cost of the work, the reimbursement from the State and County to be restored to the Excess and Deficiency Account upon receipt.

Article 21. To see if the Town will appropriated from the receipts of the Water Department for the maintenance, construction and retirement of any and all bonds, notes and interest payable in 1959, a sum of money, sufficient therefor, in accordance with Chapter 396 of the Acts of 1928, or do or act anything in relation thereto.

It was Moved, Seconded: That the Town raise and appropriate for the Water Department's general expenses the sum of One Hundred Eleven Thousand Seven Hundred Sixty-Three and 80/100ths Dollars (\$111,763.80) and take One Thousand Seven Hundred and Forty-Four and 89/100ths Dollars (\$1,744.89) from the 1959 receipts of the Water Department and One Hundred Ten Thousand Eighteen and 91/100ths (\$110,018.91) from the Water Department available surplus, in accordance with Chapter 396 of the Acts of 1928 divided as follows:

Administration	\$7,000.00
Labor and Salary	35,088.80
Expenses	<u>69,675.00</u>
Total	<u>\$111,763.80</u>

The following substitute motion was offered by Mr. George E. Pettengill—

It was Moved, Seconded, and VOTED: That the Town raise and appropriate for the Water Department's general expenses the sum of One Hundred Twelve Thousand Seven Hundred Sixty-Three and 80/100ths Dollars (\$112,763.80) and take Two Thousand Seven Hundred Forty-Four and 89/100ths dollars (\$2,744.89) from the 1959 receipts of the Water Department and One Hundred Ten Thousand Eighteen and 91/100ths dollars (\$110,018.91) from the Water Department Available Surplus, in accordance with Chapter 396 of the Acts of 1928 divided as follows:

Administration	\$7,000.00
Labor and Salary	36,088.80
Expenses	69,675.00
Total	<u>\$112,763.80</u>

Article 22. To see if the Town will raise and appropriate from the receipts of the Sewer Department to the Sewer Department for administrative expenses, maintenance, sewer connections, retirement of any and all bonds, notes and interest payable in 1959, a sum of money sufficient therefor, in accordance with Chapter 120 of the Acts of 1930, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate from the receipts of the Sewer Department to the Sewer Department for administrative expenses, maintenance, sewer connections, retirement of any and all bonds, notes and interest payable in 1959 the sum of Two Thousand Nine Hundred Thirteen and 75/100ths Dollars (\$2,913.75) divided as follows:

Administration	\$700.00
Maintenance	1,400.00
Interest	813.75
Total	<u>\$2,913.75</u>

Article 23. To see if the Town will raise and appropriate a sum of money toward the cost of the Christmas Lighting Display, or do or act anything in relation thereto. (Petition of Walpole Business Men's Association.)

A True Copy Attest:

JOHN H. WHITE
Town Clerk, Walpole, Mass.

Commonwealth of Massachusetts
TOWN OF WALPOLE
ADJOURNED ANNUAL TOWN MEETING
March 30, 1959

Norfolk, ss.

Pursuant to the adjournment of the Adjourned Annual Town Meeting held

in the Town of Walpole on March 23, 1959, and all the By-Laws concerning the calling of Town Meetings having been complied with an adjourned town meeting was held in the High School Auditorium on

MONDAY, MARCH 30, 1959 AT 7:30 P.M.

A quorum being present, Moderator William O. Forssell, called the meeting to order. On a motion regularly made and seconded, it was voted to waive the reading of the Warrant.

The Moderator appointed the following Tellers: Kenneth Hutchins, Julius Yankee, Karl Osterhaut and Albert K. Potenza.

Article 51. To see if the Town will vote to construct a maintenance supply storage shop for the Public Works Department to be erected on town owned property on Washington Street, raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing a sum of money therefor, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of Twenty-Eight Thousand Dollars (\$28,000.00) to construct a maintenance supply storage shop for the Public Works Department to be erected on town owned property on Washington Street.

The time having arrived at which the Special Meeting was called, Moderator William O. Forssell declared the adjourned Town Meeting further adjourned at 8:00 P.M. and called the Special Town Meeting to Order at 8:05 P.M.

Commonwealth of Massachusetts
TOWN OF WALPOLE
SPECIAL TOWN MEETING
March 30, 1959

Norfolk, ss.

Pursuant to the foregoing Warrant, a Special Town Meeting of the Inhabitants of the Town of Walpole, qualified to vote in Town Affairs, was held in the Auditorium of the High School, Monday, March 30, 1959 at 8:05 P.M. All the statutes and by-laws having been complied with, concerning the calling of a Special Town Meeting, and a quorum being present, the meeting was called to order by the Moderator, William O. Forssell.

Article 1. To hear and act on the report of any Committee, or to choose any Committee, the Town may think proper and transact any other business that may legally come before the Town.

Mr. George E. Pettengill moved that the reading of the Warrant be waived.

REPORT OF COMMITTEE TO STUDY THE ADEQUACY OF LIBRARY FACILITIES

The following are the findings and recommendations as reported by Secretary John Gray:

1. The East Walpole branch has facilities that at present are satisfactory.
2. The North Walpole branch is also adequate at present. In May, we will be using the basement of the Old Fisher School for temporary quarters, also reasonably adequate, provided we get the complete area as promised by the school department.
3. Therefore, our recommendations for improved library facilities are concentrated on the Main Library. Here, we recommend the addition of a mezzanine,

over the present sacks at the rear of the library, as suggested in the Master Plan for the Town of Walpole. The building was originally designed with the eventual addition of such a mezzanine in mind. This mezzanine would give us approximately 500 square feet of additional space.

At present, the Main Library needs approximately 240 square feet more space for use as an area for working on books; that is, processing, cataloguing, etc. Also, the library needs additional space for open shelves for books. This space would be provided for by the construction of the mezzanine.

Such construction would give us what we need for the immediate future. It would make possible more efficient use of the Main Library, where, at present, the work areas of the staff are spread out in several different places, one such area obstructing the boiler room entrance which is not desirable from a safety standpoint. It would put more books on readily accessible shelves for the public to use. This mezzanine could be built for an estimated cost of approximately \$9,000.00.

For these reasons, we recommend the construction of a mezzanine floor over the present stacks at the Main Library.

Respectfully submitted,

Carroll Homan, *Chairman*
Eleanor Harding
P. Bernard Spillane
William S. Sayward
John Gray, *Secretary*

Article 2. To see if the Town will raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing, a sum of money to repair the bridge over the Neponset River on South Street, near the General Fibre Inc. property, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of Ninety-Five Hundred Dollars (\$9,500.00) to repair the bridge over the Neponset River on South Street, near the General Fibre, Inc., property.

Article 3. To see if the Town will raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing, a sum of money to alter the interior of and expand the facilities of the Main Library building on Common Street, or do or act anything in relation thereto. (Petition of Board of Library Trustees and Committee to Study Library Facilities).

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of Eighty-five hundred dollars (\$8,500.00) to alter the interior of and expand the facilities of the Main Library Building on Common Street.

Article 4. To see if the Town will vote to install a lateral sewer in Washington Street, from No. 430 Washington Street to High Plain Street, raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing a sum of money therefor, or do or act anything in relation thereto. (Petition of Pietro F. Carchedi and others).

It was Moved, Seconded and VOTED: That action on this article be indefinitely postponed.

Article 5. To see if the Town will vote to change from General Residence District to business District the following described premises of Joseph J. Lorusso at 897 Main Street: Beginning at the northwesterly side of Main Street and the easterly corner of land of Albert H. Camelio, thence northwesterly on land of Albert H. Camelio, 272.4 feet; thence northeasterly on land of the New York, New Haven and Hartford Railroad, approximately 107.31 feet; thence southeasterly

on land of Ernest H. Ford et ux; thence southwesterly on Main Street 113.10 feet, or do or act anything in relation thereto.

The following motion was offered by Mr. Louis E. Hoegler, Jr., Chairman of the Town Planning Board—

It was Moved, Seconded and VOTED: That the Town vote to change from General Residence District to Business District the following described premises of Joseph J. Lorusso at 897 Main Street: beginning at the northwesterly side of Main Street and the easterly corner of land of Albert H. Camelio, thence northwesterly on land of Albert H. Camelio 272.4 feet; thence northeasterly on land of the New York, New Haven and Hartford Railroad, approximately 107.31 feet; thence southeasterly on land of Ernest M. Ford, et ux; thence southwesterly on Main Street 113.10 feet.

VOTE: Unanimous.

Article 6. To see if the Town will vote to authorize the Selectmen to transfer the following parcel of land from the Memorial Park Land to the Walpole Housing Authority, bounded and described as follows:

Beginning at a point on the northeasterly line of Stone Street and at the westerly corner of land of Kathryn T. and Richard H. Hennessey; thence N 42° 11' 40" E, on land of said Kathryn T. and Richard H. Hennessey fifty-seven and seventy-nine hundredths (57.79) feet to a point; thence N 20° 11' 30" E, on land of said Kathryn T. and Richard H. Hennessey and on land of Helena E. Dalton, two hundred fifty and twenty-nine hundredths (250.29) feet to a point; thence S 47° 53' 45" E, on land of said Dalton one hundred sixty-three and one hundredth (163.01) feet to a point; thence N 72° 35' 15" E, on land of Katherine J. Higgins, eighty-three and forty-seven hundredths (83.47) feet to a point; thence, N 88° 10' 45" E, on land of Edith L. Fowler and James W. Hearsey, one hundred thirty and twenty hundredths (130.70) feet to a point; thence, S 22° 29' 45" E, on land of said Edith L. Fowler and James W. Hearsey one hundred fifty-three (153.00) feet more or less to a point on the Northerly line of Diamond Street; thence, northeasterly on the northerly line of said Diamond Street with a radius of 400 feet, two hundred seven (207.00) feet more or less, thence N 43° 29' 10" E, on the northwesterly line of said Diamond Street one hundred fifty-nine and nineteen hundredths (159.19) feet to a point; thence less northeasterly on the northwesterly line of said Diamond Street with a radius of 360.00 feet, sixty-one and no hundredths (61.00) feet to a point; thence N 71° 49' 30" W, on land of Darrell Van Buren et ux and on land of Dominico Marinucci et ux four hundred eighty-four and seventy-eight hundredths (484.78) feet to a point; thence, southwesterly and westerly on Memorial Pond four hundred fifty (450.00) feet more or less to a point, thence southwesterly on the center line of a ditch and on other land of Memorial Park three hundred twenty (320.00) feet more or less to a point; on the northeasterly line of said Stone Street; thence S 33° 38' E, on the northeasterly line of said Stone Street three hundred seventy (370.00) feet more or less to the point of beginning, containing 174,000 square feet more or less, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town indefinitely postpone action on this article.

Business of the meeting being completed the Moderator declared the Special Town Meeting dissolved at 8:45 P.M.

A True Copy Attest:

JOHN H. WHITE

Town Clerk of Walpole, Mass.

ADJOURNED ANNUAL TOWN MEETING
(Reopened)

Adjourned Annual Town Meeting was called to order at 8:45 P.M. by Moderator William O. Forssell.

Article 52. To see if the Town will approve the construction of new Housing Project by the Walpole Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-1, or do or act anything in relation thereto. (Petition of Walpole Housing Authority).

It was Moved, Seconded and VOTED: That no action be taken under this article.

The following substitute motion was offered by Mr. James B. Maguire—

It was Moved, Seconded: That the Town of Walpole hereby approves construction of a new housing project namely, a project for the housing of elderly persons consisting of not more than 50 dwelling units pursuant to Chapter 667 of Massachusetts Acts of 1954 and Acts in amendment thereof and in addition thereto to be known as State Aided Housing Project 667-1.

The substitute motion was defeated. VOTE: Yes—197; No—269.

Article 53. To see if the Town will raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing a sum of money for the construction of and equipping and furnishing a Junior High School on East Street, on property purchased by the Town for this purpose, or do or act anything in relation thereto. (Petition of School Building Committee).

The Appropriation Committee offered the following recommendation—

(a) That the Town hear and act upon the report of the East Junior High School Building Committee appointed by the Moderator under Article 2 of the Annual Town Meeting held March 11, 1957.

(b) To construct, furnish and originally equip a Junior High School Building substantially in accordance with plans, sketches and preliminary specifications submitted by Shepley, Bullfinch, Richardson and Abbott, Architects and Engineers, Boston, Mass.

To appropriate the sum of One Million Nine Hundred Thirty Thousand Dollars (\$1,930,000.00) to be used in conjunction with the Forty-Two Thousand Dollars (\$42,000.00) appropriated under Article 56 of the Annual Town Meeting held on April 7, 1958 therefore; and, to meet such appropriation the sum of Twenty Thousand Dollars (\$20,000.00) shall be raised as follows; by taxation from the 1959 levy, Nine Thousand Three Hundred Eighty-Three and 74/100 (\$9,383.74); by transfer from the "Post War Rehabilitation" Account Five Hundred Forty and 84/100 (\$540.84); by transfer from the "Construction High School" Account Two Thousand Eight Hundred Eighty-Five and 77/100 Dollars (\$2,885.77); by transfer from the "Sale of Real Estate" Account Seven Thousand One Hundred Eighty-Nine and 65/100 Dollars (\$7,189.65); included in the foregoing is a sum equal to Twenty-Five Cents (\$.25) on each One Thousand Dollars (\$1,000.00) of the Assessed Valuation of the Town for the preceding year in accordance with the provisions of Chapter 44, Section 7 of the General Laws; and the Treasurer, with the approval of the Selectmen is hereby authorized to borrow the sum of Six Hundred Thousand Dollars (\$600,000.00) under the provisions of Chapter 44 of the General Laws and the sum of One Million Three Hundred Ten Thousand Dollars (\$1,310,000.00) under the provisions of Chapter 645 of the Acts of 1948 as amended, subject to the approval of the Emer-

agency Finance Board as provided therein, and to issue and sell at one time or from time to time, bonds or notes of the Town thereof, to be redeemed by the Town in a period of not longer than Twenty (20) Years.

(c) To authorize and direct the Board of Selectmen, the said East Junior High School Building Committee and/or the Treasurer, to take all necessary action, and to execute on behalf of the Town all necessary documents to obtain the maximum financial grant or assistance from the United States of America, or the Commonwealth of Massachusetts, or both, for said original construction of said Junior High School facilities; and any grant or assistance thus received be and hereby is appropriated to the payment of the principal or interest, or both, of any bonds or notes issued to finance the original construction, furnishing or equipping of said Junior High School facilities.

VOTE: Unanimous.

Article 54. To see if the Town will raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing a sum of money for engineering purposes to study the sewerage disposal problem at the proposed Junior High School at East Street, or do or act anything in relation thereto. (Petition of School Building Committee).

It was Moved, Seconded and VOTED: That the Town raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for engineering purposes to study the sewerage disposal project at the proposed Junior High School at East Street.

Article 55. To see if the Town will raise and appropriate, raise and appropriate by borrowing a sum of money to connect the new Junior High School to the sewer system, or do or act anything in relation thereto. (Petition of School Building Committee).

It was Moved, Seconded and VOTED: That no action be taken under this article.

Article 56. To see if the Town will raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing a sum of money to purchase an Aerial Ladder for the Fire Department, to replace the 1928 Ahrens Fox Ladder now in service in the East Walpole Fire Station, with permission to trade or sell the old ladder, or do or act anything in relation thereto.

It was Moved, Seconded and VOTED: That the Town transfer from Excess and Deficiency Account the sum of Thirty-Eight Thousand Dollars (\$38,000.00) to purchase an aerial ladder for the Fire Department to replace 1928 Ahrens Fox Ladder now in service in the East Walpole Fire Station with permission to trade or sell the old aerial ladder.
